Warranty Clause

The company undertakes to repair or replace products, at their discretion, if the products are found to be defective, solely as a result of Manufacturing defects within 10 years from date of purchase in case of mechanical wiring devices products, and 2 years in case of Electronic wiring products. The warranty will be Invalid if the product has not been installed or maintained in accordance with the company instruction or if any attempt has been made to rectify or dismantle or alter the product or if the original accessories of the company have not been used.

Liability under terms of warranty is limited to the value of the repair / replacement of the parts found to be defective within the warranty period, and does not cover consequential loss or damage or reinstallation cost arising from the defective product.

All parts which are replaced shall have been become the property of the company.

In the interest of continuous improvement the company reserves the right to modify or change the product design and specifications of their product in feature without prior notice

This warranty is issued at Morbi and courts at Morbi shall have exclusive jurisdiction over matter by or following from this warranty. In case of any dispute arising out of this, the same shall be settled by an Arbitration in accordance with the provisions of Arbitration and conciliation Act. 1996
